

## Forbes April 3<sup>rd</sup> and 10<sup>th</sup>, 2021 Work Parties

Mark your calendars! Our spring work parties have been set for Saturday, April 3<sup>rd</sup> and 10<sup>th</sup>, 2021. We have scheduled 2 days because of the amount of work that needs to be done, and to allow for inclement weather:

- Follow COVID-19 safety protocol including social distancing, face covering use, avoid sharing of tools, and use of hand sanitizer
- 8:00AM meet at the target shed area for coffee and donuts and planning (please use the 300-yard gate as Watervliet trap/skeet may be in progress)
- Planned projects include:
  - Target frame construction at Pavilion – John Olzsewski
  - Drilling target carriers for retaining bolts – Nick Macchiarella
  - Cut brush and limbs along sides of range as needed - Steve Melita
  - Mower, Tractor and Implement Maintenance – Ed Simon/John Usher
  - Lubrication of target carriers
  - Inspecting, organizing and facing targets
  - General clean-up of pits and grounds

We have a generator but will need an another one. Additional weed wackers, saws, drills, cord sets, screw guns, brooms and rakes will be helpful and put to good use. These work parties are fun and important ways of improving the looks and function of our club. Thanks - we are looking forward to seeing anyone who can make it!
