Club News

Hello Forbes Rifle and Pistol Club, Inc. Members. Hope all is well with you and your families. Pardon the delay on this past month's newsletter. Sometimes late is better than never.

This past month started off with an excellent long-range match directed by Mr. John Usher. The June 12-13 match brought an awesome field of competitors. Please see the incredibly detailed actual results that will be posted on the Forbes Rifle and Pistol Website. A big thank you to John Usher and his staff for organizing and running this match. Well Done!!! A big CONGRATULATIONS to all match winners.

Forbes Rifle and Pistol Club, Inc., hosted the Guy Gamello New York State High Power Regional Match and the CMP EIC- Excellence In Competition Match on 26th and 27th June. We all greatly miss our great friend and he would have absolutely loved these matches. God Bless and Peace be with you Guy! You are ALWAYS in our hearts, thoughts and prayers. Talk about HOT!!! OUCH!!! And challenging on the competitors and the staff that muscled through the weekend. These matches could not have occurred if it were not for our dear friends: Mr. Dale Brickwood – Match Director, Mr. Craig Cassen – Chief Range Officer, George Kline our NYS High Power Director and for this Match – Pit Boss, Jim Treacy – Pit Boss and Adam Thorenz – Pit Boss. We would like to say thank you very much for your time and dedication to giving back to the sport!! We all greatly appreciate. In addition, an incredibly special thank you to the Forbes R&P Mowing Team for providing us a very well-groomed Range!!!! Well done and much appreciated.

Please see the match results below:

Other News

The remaining balance of the Siberian Larch lumber for the main target frames were ordered through Curtis Lumber, picked up and stored in the target shed. These were ordered by Mr. Jim Beck – Club Treasurer, picked up and delivered by Mr. William Genthner – Club President and Mr. John Olszewski – Club HP Coordinator/Board Member This material will be utilized to construct the remaining seven (7) target frames. A work party date and time will be set up for the team to remobilize to complete this task. Let's keep up the great work towards our range improvements Team!!!

Hold Harmless Agreement

Due to a change in insurance requirements, all non-members (including match participants and guests) using the range must sign a hold harmless agreement before using the range. The attached document will be available at matches and practices, and copies will be also kept in the 300 and 600-yard log-in mailboxes for you to sign and leave there.
